

Terms and Conditions of Sale of ELANTAS PDG, Inc.

September 2023

- 1. General.** These Terms and Conditions of Sale shall apply to all orders by Buyer for the purchase of the products specified in the order (the "Products") from ELANTAS PDG, Inc. ("Seller").
- 2. Offers and Orders.** If the Terms and Conditions of this acknowledgment differ in any way from the terms and conditions of Buyer's order, this acknowledgment shall be construed as a counteroffer and shall not be effective as an acceptance of such order unless Buyer assents to the Terms and Conditions contained herein, which shall constitute the entire agreement ("Agreement") between the parties. Buyer's assent to the Terms and Conditions contained herein shall be deemed given upon Buyer's execution of this acknowledgment below or upon Buyer's failure to object to these Terms and Conditions in writing within ten (10) calendar days from the date of receipt of this acknowledgment. Buyer's receipt of delivery of the Products without immediate return will further manifest Buyer's assent to these Terms and Conditions. No additions to or modifications of any of the Terms and Conditions hereof shall be effective unless made in writing and signed by both parties. Acceptance of an order is at all times subject to availability of the Products for delivery.
- 3. Shipments and Delivery.** Deliveries are made FCA, Seller's shipping point (Incoterms 2020). Risk of loss or damage and responsibility shall pass from Seller to Buyer upon delivery to and receipt by a common carrier. Any claims for shortages or damages suffered in transit shall be submitted by Buyer directly to the carrier. While Seller will use commercially reasonable efforts to maintain the delivery date(s) acknowledged or quoted by Seller, all shipping dates are approximate and not guaranteed. Seller reserves the right to make partial shipments. Seller, at its option, shall not be bound to tender delivery of any Products for which Buyer has not provided shipping instructions. If the shipment of the Products is postponed or delayed by Buyer for any reason, Buyer agrees to reimburse Seller for any and all storage costs and other additional expenses resulting therefrom. If Seller desires to revise the point of shipment for the Products hereunder but is restricted to any extent against so doing by reason of any governmental law, regulation, order or action or if the point of delivery in effect under these Terms and Conditions is altered by reason of any government, law regulation, order or action, Seller shall have the right to terminate this order by written notice to Buyer with respect to any Products not then delivered. Because of the conditions involved in the manufacture of custom made Products, where an order calls for a Product to be made-to-order specifically for Buyer: (1) a delivery of not less than 90% of the order will be considered a complete fulfilment of the order; and (2) in case of an over-run, Seller may deliver and Buyer will accept any such excess up to 10% of the order, but not more than 1,000 pounds.
- 4. Force Majeure.** Seller shall not be liable for delays in performance or for non-performance due to acts of God; acts of Buyer; war; fire; terrorism or other criminal conduct; flood; weather; sabotage; strikes, or labor or civil disturbances; governmental requests, restrictions, laws, regulations, orders or actions; unavailability of or delays in utilities, raw materials, containers or transportation; default of suppliers; or unforeseen circumstances or any other events or causes beyond Seller's reasonable control. In the event of any of the foregoing, Seller may, at its option and upon notice to the Buyer, suspend delivery for an appropriate period of time or cancel the order in whole or in part. In the event of any shortage, however caused, Seller, in its sole discretion and without liability to any party, may

allocate its available supply of the Products among its purchasers on such basis as Seller determines to be equitable.

5. Prices, Payment Terms, Taxes. All quoted prices, extras (including applicable surcharges), and all freight or transportation rates, are subject to change, without notice, to reflect Seller's prices and extras, applicable freight or transportation rates, in effect as of the date of shipment. Any tax or governmental charge (or increase in same) affecting Seller's costs of production, including costs of materials used therein, sale, delivery, storage, processing, use, consumption or transportation shall be for Buyer's account and shall be added to the price. Prices do not include the cost of special preparation for export, export packaging, consular invoices, export declarations, certificates of origin or other documents, insurance in transit or similar items, and any cost incurred for such items shall be added to the prices as shown. Unless otherwise specifically stated and agreed to in writing by Seller, the terms of payment are net thirty (30) calendar days from the date of Seller's invoice in U.S. currency, or as printed on the face of the document without any right to setoff. Seller shall have the right, among other remedies, either to terminate the order or to suspend further performance under this and/or other agreements with Buyer in the event Buyer fails to make any payment when due. Buyer shall be liable for all expenses, including attorneys' fees, relating to the collection of past due amounts. If any payment owed to Seller is not paid when due, it shall bear interest at a rate of 1.5% per month, or the maximum rate permitted by law if less, from the date on which it is due until it is paid. Should Buyer's financial responsibility become unsatisfactory to Seller, cash payments or security satisfactory to Seller may be required by Seller for future deliveries and for the Products theretofore delivered. If Seller desires to revise the applicable price, discount or terms of payment for the Products hereunder, but is restricted to any extent against so doing by reason of any governmental law, regulation, order or action or if the price, discount or terms of payment in effect under these Terms and Conditions are altered by reason of any government, law, regulation, order or action, Seller shall have the right to terminate this order with respect to any Products not yet delivered by written notice to Buyer.

6. Title and Risk of Loss. Title to the Products and risk of loss or damage and responsibility shall pass from Seller to Buyer upon delivery to and receipt by a common carrier.

7. Limited Warranty, Notification of Defect, Returns. Any recommendation, performance of tests or suggestion is offered merely as a guide and is not a substitute or a thorough evaluation by Seller. No representative of Seller has the authority to offer a warranty that a Product will perform satisfactorily in manufacturing the Buyer's product and no such representation should be relied upon. Determination of the suitability of the Products for the use contemplated by Buyer is the sole responsibility of Buyer, and Seller shall have no responsibility in connection with such determination. Samples or formulas supplied by Seller are solely for the purpose of allowing Buyer to evaluate the suitability of such Products for their intended use. Seller, upon Buyer's request, may furnish technical advice with reference to the use of the Products sold hereunder, if and to such extent as Seller has such advice conveniently available, but it is expressly agreed that there is no obligation to furnish any such advice, and that if any advice or assistance is furnished, which will be without charge, it shall be given and accepted at Buyer's risk, and Seller shall not be responsible or liable for the advice or assistance given or the results thereof. SELLER MAKES NO OTHER WARRANTY OF ANY KIND WHATSOEVER, EXPRESS OR IMPLIED, INCLUDING,

WITHOUT LIMITATION, ANY WARRANTY AGAINST INFRINGEMENT OF ANY THIRD PART'S INTELLECTUAL PROPERTY RIGHTS; AND ALL IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE HEREBY DISCLAIMED BY SELLER AND EXCLUDED. Buyer agrees to examine and inspect the Products at once upon arrival at their destination, and if the Products fail to comply with the warranty provided hereunder, Buyer shall promptly give detailed written notice of such failure to Seller. Any claim under this warranty shall conclusively be deemed waived by Buyer unless written notice thereof is given to Seller within fifteen days after discovery, but in no event later than ninety days from the date of sale. Additionally, no claims shall be allowed for any cause as to Products which have been treated or processed in any way, except for such quantity necessarily processed to determine the existence of an inferior quality or defective condition. Seller's responsibility and Buyer's exclusive remedy under this warranty is limited to the replacement of the Products or the credit in the amount of the purchase price paid by Buyer, at Seller's option, upon the return of any nonconforming Products to Seller at Buyer's expense, except such part, if any, as cannot be returned due to its necessary use in processing; and Buyer shall also return, if possible, the said Products used in processing. Product manufactured according to the Specifications of the Buyer may not be returned for credit. Any credit provided by Seller shall be solely for the additional purchase of Products from Seller and shall expire within 180 calendar days from its issuance date. UNDER NO CIRCUMSTANCES SHALL SELLER BE LIABLE FOR SPECIAL, INCIDENTAL, INDIRECT OR CONSEQUENTIAL DAMAGES (INCLUDING, WITHOUT LIMITATION, ANY LOSS OF ANTICIPATED PROFITS INCURRED BY BUYER). THE PRICE STATED FOR THE PRODUCTS IS A CONSIDERATION IN LIMITING SELLER'S LIABILITY.
